## Gap Ministry Updates

It has been a year of growth for many of our Gap Ministries, with an overall 22% increase in needs requested and needs met. Church volunteers have been faithfully praying for individuals and going above and beyond to be the hands & feet of Jesus in Benton County!

## Durable Medical Equipment Ministry

“Thank you for arranging our donation to the Med Shed after usual hours. We appreciate the expertise and help of both women working at the main location, as well the person who stayed at the Med Shed later to accommodate our donation of medical equipment. My father had just passed, and your kindness and thoughtfulness is much appreciated by our family. God’s blessings to you.”

# Sit by the fire with Kiley

We hope you will take a couple minutes to pause during the holiday season and “sit by the fire” with our Director of Development, Kiley Alston, as she shares a client’s story of life transformation. It is just one reminder of the significant impact the Body of Christ can have when we work together!

## HOW DONOR DOLLARS LEAD TO

*Transformation*

**GIFT MADE**

Love INC relies on gifts from individuals, businesses and the local faith community.

**STAFF & PROGRAMS**

Donations allow our small staff team to oversee and manage the Call Center (in office), Gap Ministries (at churches), and the Grow Together Program.

**CHURCHES & VOLUNTEERS**

Staff help churches provide holistic care for their neighbors by coordinating specific, manageable opportunities that mobilize the resources, gifts, and relationships of their congregations.

**TRANSFORMATION**

The process requires mutual participation because our goal isn't just to meet needs. It's about meeting a person where they're at and helping them become who God created them to be.
