OUR MISSION IS TO **MOBILIZE** LOCAL CHURCHES
TO TRANSFORM LIVES AND COMMUNITIES
in the Name of Christ

Bike Ministry

Spring has brought an exciting development! Northside Church, a Love INC Partner Church, has reignited the Bike Gap Ministry. Individuals in need of a bicycle are now required to attend a short class about general bike care and safety. This allows for greater connection and success for bike recipients. So far, so good!

Grow Together

The Grow Together Program completed its 2023 Spring Term, serving nearly 40 clients, community participants, and children. During the summer months, we will be piloting another new class and designing a mentoring process to add this fall. Stay tuned! For more info, visit yourloveinc.org/growtgether

- With the Help Line call volumes increasing by 30%, ask God to provide an additional 10 Call Center volunteers

HOW DONOR DOLLARS LEAD TO

Transformation

GIFT MADE

Love INC relies on gifts from individuals, businesses and the local faith community.

STAFF & PROGRAMS

Donations allow our small staff team to oversee and manage the Call Center (in office), Gap Ministries (at churches), and the Grow Together Program.

CHURCHES & VOLUNTEERS

Staff help churches provide holistic care for their neighbors by coordinating specific, manageable opportunities that mobilize the resources, gifts, and relationships of their congregations.

TRANSFORMATION

The process requires mutual participation because our goal isn't just to meet needs. It's about meeting a person where they're at and helping them become who God created them to be.
