

To Our Love INC Partners & Community,

Like you, Love INC of Benton County is closely monitoring notifications from the CDC and OHA and being proactive in our decision making processes. Thank you for taking a moment to read this brief update.

Love INC desires to protect the health of our volunteers, clients and staff, while continuing services which don't increase risk to our community. Based on the older demographic of our volunteers, below is a list of measures we have prayed over and feel are wise at this time.

- Call Center will remain open regular hours, 9:30-1:30 Monday-Thursday, but operated by Love INC Staff, not volunteers.
- March 16 - April 6 (three weeks), Love INC Office will be closed to the public for donations, walk-ins, etc.
- Gap Ministry operations will be placed on hold for the next three weeks. Any needs phoned into the call center that are deemed urgent will be addressed by staff or "low-risk" volunteers.
- The week of April 6th, we will evaluate and hopefully reopen.

Please rest assured that during this temporary pause of Gap Ministries and donations, we will continue to be responsive to individuals through our Call Center.

Staff are still here to serve you during our regular office hours, Monday-Thursday 9:30-3:30. Please don't hesitate to reach out if you have any questions or if there is a way Love INC can help.

Blessings,

Your Love INC Staff  
Tyan, Jen, LaCheri, Kiley and Meredith
